

# CAREY INTERNATIONAL PASTORAL TRAINING

Training Leaders for the Global Church

Greetings!

We have some exciting news to share with you! As part of our ongoing efforts to provide you with valuable resources and content, we will be introducing a new segment to our e-newsletters: **Carey's Video Logs**.

In this short series, our esteemed lecturers will meet with and interview our pastor-students, giving you a firsthand look at their daily routines, experiences in ministry, and theological studies. We believe that these interviews will provide a valuable opportunity for you to learn from and be inspired by these pastor-students, who are actively engaging in ministry and applying what they are learning in their studies to their daily lives.

In our first V-log, we are thrilled to introduce you to Alton, a pastor-student from Uganda. You'll have the opportunity to hear directly from him as he shares his experience with our course and his gratitude for the impact they have had on his ministry.

We are committed to bringing you the highest quality resources and content, and we are confident that these video logs will be a meaningful addition to our e-newsletters. Thank you for your continued support, and we look forward to sharing more with you soon!
